

Alexandra Decker

web: Alexandradecker.com

email: Alexandradecker@gmail.com; adecker@mit.edu

Employment

Post-doctoral Fellow, Massachusetts Institute of Technology 2022-
Department of Brain and Cognitive Sciences
Advisor: John D.E. Gabrieli

Education

Ph.D., University of Toronto 2022
Department of Psychology
Advisors: Katherine Duncan, Amy Finn
Committee: Keisuke Fukuda, Lynn Hasher, Michael Esterman, Jay Pratt

M.A., University of Toronto, and the Hospital for Sick Children 2016
Department of Psychology
Advisor: Donald Mabbott
Committee: Morgan Barense, Amy Finn

B.A., McGill University 2013
Major: Psychology and Behavioural Science

Research Interests

Learning and memory, sustained and selective attention, cognitive and brain development, neural plasticity, neuromodulators (acetylcholine, norepinephrine), curiosity, exerting effort, academic outcomes, socioeconomic status

Awards, Scholarships and Grants

Natural Sciences and Engineering Research Council of Canada (\$90,000) 2022-2024
Among the top 20% of applicants

William Line Memorial Graduate Scholarship, University of Toronto (\$8000) 2020-2021

Doctoral Completion Award (\$8000), University of Toronto 2020-2021

Ontario Graduate Scholarship (\$15,000), Ontario, Canada 2020-2021

September 2022

Dataquest Underrepresented Genders Scholarship	2020
Ontario Graduate Scholarship (\$15,000), Ontario, Canada	2019-2020
Canadian Institutes of Health Research Project Grant (\$1,147,500)	2018-2022
Brain Canada-Kids Brain Health Network Training Award (\$70,000)	2018-2020
School of Graduate Studies Conference Grant (\$450), University of Toronto	2017
School of Graduate Studies Conference Grant (\$1,100), University of Toronto	2016

Peer-Reviewed Publications

+equal contributions

Undergraduate Advising

September 2022

Vivi Wickersham (Brandeis University)
 Hannah Cho, Ph.D. student, The University of Toronto
 Enri Boshti, Neuroscience, The University of Toronto
 Carissa DeMarinis, Psychology, The University of Toronto
 Jiin Kim, Psychology, The University of Toronto

Teaching Experience

Teaching Assistant, Introduction to Psychology (Psy100), University of Toronto	2021
Teaching Assistant, Cognitive Psychology (PSY270), University of Toronto	2020
Teaching Assistant, Introduction to Psychology (PSY100), University of Toronto	2019
Teaching Assistant, Introduction to Development (PSY210), University of Toronto	2018
Teaching Assistant, Learning and Plasticity (PSY260), University of Toronto	2017
Guest Lecturer, Learning and Plasticity (PSY260), University of Toronto	2017
Teaching Assistant, Psychology, and the Law (PSY328), University of Toronto	2017
Teaching Assistant, Human Memory (PSY372), University of Toronto	2016
Teaching Assistant, Health Psychology (PSY333), University of Toronto	2015
Guest Lecturer, Health Psychology (PSY333), University of Toronto	2015

Volunteer Experience and Academic Service

Student Voice Survey Organizer, Psychology Graduate Student's Association	2021
Vice President of the Psychology Graduate Student's Association	2020-2021
Volunteer Analytics Consultant	2019-2021
Census Committee Coordinator, University of Toronto Student's Association	2019-2020
Graduate student Mentor, University of Toronto Peer Mentorship Program	2019-2020
Let's Talk Science Volunteer, Let's Talk Science	2017
International Conference of Cognitive Neuroscience Volunteer Committee Member	2017
Volunteer, Toronto Rehabilitation Institute	2013
Volunteer, Toronto Western, Geriatric Mental Health Outreach Program	2012-2013
Big Brothers Big Sisters, Montreal	2009-2012

Work Experience

Clinical Project Research Assistant, The Hospital for Sick Children	2013-2015
Sales Representative, Toronto Dominion Bank	2012-2013
Server, Jack Astor's Bar and Grill	2012
Server and Caterer, Polson Pier	2011
Art Teacher, Bayview Glen Day Camp	2010-2011
Sales representative, Abercrombie and Fitch	2006-2008

Skills

Experimental design, time series analyses, multi-level modelling, statistics, Psychopy experiment builder, R, Python (pandas, numpy, nilearn), EyeLink Software (eye tracking and pupillometry)
